

# GP EXEC

ARABIAN GULF DRIVING TOUR

DRIVE ABU DHABU & DUBAI  
JANUARY 2015

# WELCOME TO GP EXEC TOURS

The Arabian Gulf is a place of intrigue and excitement!

GP EXEC is providing a unique Middle Eastern experience, for a small group of like minded car enthusiasts, encompassing one of the best driving experiences on the planet plus a host of activities in both Abu Dhabi and Dubai. It is a tour sure to please partners as well as it includes amazing shopping experiences, day spas, and top luxury dining and accommodation. January is the month that all the designer brands around the globe send product to Dubai to be sold at up to 70% off during the International Shopping Festival. Be sure to take an empty suitcase!

Abu Dhabi is the capital of the United Arab Emirates, an emirate of distinct diversity - of terrain, of peoples, traditions and ambitions. Surrounded by 400km of beautiful coastline and over 200 islands surrounded by warm, clean waters. It is also a land of awe inspiring desert, cooling oases and dramatic rocky heights. Abu Dhabi is the home to a number of the region's breathtaking modern attractions, among them the Yas Marina Circuit, a state of the art motorsports destination. Yas Island also includes Ferrari World, Yas Water World, Yas Links Golf Course, Yas Marina and the Yas Viceroy hotel where we will be staying.

Dubai is a city that started as a humble pearl-diving centre and has undergone a rapid transformation into one of the fastest growing cities on the planet. Home to more than 2 million people from more than 200 nationalities, Dubai is one of the most cosmopolitan cities in the world. Dubai is filled with shopping malls, each revealing a different theme and experience. This is even more exciting in January, as all shops get involved in the International Shopping Festival. Dubai offers a fully integrated sports facility and motorsport park called the Autodrome. It is here that we will experience a unique Audi R8 drive day.

GP EXEC looks forward to welcoming you on our tour in January 2015!
